PROJECTS

Charusat Pathways

08/2024 - 12/2024

Developed an online platform providing organized study resources, notes, and guidance for juniors at Charusat University to easily access all academic materials in one place.

Expense Management System

01/2025 - 05/2025

Created a command-line tool to record, track, and manage daily expenses efficiently, enabling simple budget planning and expense analysis.

Study Buddy

05/2025 - 07/2025

Built an AI-powered tool that explains topics with Gemini integration, provides relevant YouTube references for students, and assists teachers in auto-generating customizable question papers.

EXPERIENCE

Mamo Technolabs

05/2025 - 07/2025

Worked as a web development intern for 45 days. Learned to build and improve websites, worked with a team, and handled real tasks using HTML, CSS, and JavaScript.

SOFT SKILLS

- Problem-Solving
